## YOU ARE INVITED TO BOA – NGO TAX EXEMPT ORGANISATION

We extend a warm invitation to you to become a part of BOA (Beauty For Our Ashes) - a tax-exempt Christian organization with a compelling vision, mission, and objectives that center around fostering community, support, and growth in Christian values.

### OUR VISION:

To connect with Christian families and individuals worldwide, we aim to establish a robust support system through Christian missions, recreational activities, and holistic endeavors. Our goal is to help many discover beauty amid their life's challenges and guide our children and the next generation toward maturity within a community of like-minded individuals who share our Christian values. In a world where young people are often confronted with shifting moral standards, our mission is to create a global Christian network organization that upholds godly values for the benefit of future generations.

### OUR MISSION:

BOA, both in the USA and Ghana, adopts a holistic approach encompassing recreational activities, daily devotional encouragement, weekly empowerment programs via Zoom meetings, monthly missions supporting the homeless, orphanages, vulnerable children, and women experiencing brokenness. We also organize monthly or quarterly recreational and holistic activities, offering our youth an opportunity to have fun while serving God. Additionally, we aim to enhance the quality of life for those trapped in the routine of work and church, introducing a holistic approach to Christian living.

### OUR OBJECTIVE:

BOA seeks to be a Christian-based yet all-inclusive platform where people can expand their social networks beyond the confines of work and family (Proverbs 18:24). We endeavor to help others find beauty in their challenges, as inspired by Isaiah 61:3.
