

BOA 2026 CONFERENCE – PREPARING FOR WHAT GOD WILL DO

Dear Esteemed Speakers, Volunteers, Partners, Sponsors, Vendors, BOA Family & Friends,

I would like to begin by sincerely thanking everyone who has already responded and expressed willingness to serve as we prepare for the BOA 2026 Conference on September 19th. Your readiness to offer your God-given gifts, talents, time, and resources to bless and encourage others is deeply appreciated.

We are grateful for the continued support from our BOA family and partners. As we prayerfully prepare for what the Lord desires to do in this next gathering, there is still room for those who feel led to serve.

If you sense the Lord leading you to participate, we welcome those interested in serving as volunteers, ministering team members, vendors, or sponsors. Please feel free to respond to me directly and share the role the Lord may be leading you to play—whether through your gift, service, or support during this year’s conference or future gatherings.

As BOA continues to grow, we may occasionally add or rotate speakers and ministering leaders. Please know that whether you appear on the flyer or serve in another capacity, your support and presence remain valued and important to this vision.

If you are on this year’s speakers list, please remember to send me your picture if you have not done so already, so it can be included with the other speakers for our conference materials.

Your timely response will help us prayerfully coordinate speaking opportunities, volunteer roles, vendor participation, and conference planning.

Thank you again for being a vital part of what God is building through BOA. May the Lord richly bless your willingness to plan, serve, and offer your gifts, talents, time, support, or even your life story to help transform ashes into beauty and pain into purpose. May your contribution bear eternal fruit and touch lives in ways only God can orchestrate.

I look forward to hearing from you and will share additional conference details soon.

With love and appreciation,

Minister Joyce King

Beauty For Our Ashes (BOA)

“There is no greater legacy than to help someone else win. Look for ways to use your influence to help others rise higher” Unknown
